

Inaugural Parade & DC News Bulletin #2

The tour company we are using for hotel, DC tours, and meals, has suggested a couple of changes in the meal provisions for our stay in DC. Breakfast is provided for Sunday, Monday, and Tuesday at the Hotel, and Dinner is provided for Saturday, Sunday, and Monday at various locations. We will be in Washington DC on Sunday the 18th for touring, and they suggest that they provide Lunch and that everyone be on their own for dinner that evening. They can provide a boxed dinner for that evening, at an additional cost of \$10.00. The reason for this is lines will be long at any café or fast food spots in the Mall Area, which could delay any sightseeing. Likewise, on Monday the 19th, we will be touring Mt. Vernon area and will be returning to the hotel for dinner that night. A boxed Lunch can be provided for \$10.00 per person. If you would like for you or your child to be provided these extra meals, please fill out this form and return it with your payment to the band office at Saturday's practice Jan.3. Please understand that if you chose not to use this service, you will be on your own for these particular meals.
